++ Valid for broadcast between 1800 and 0600

Headline:
Bright with a scattering of showers on Tuesday.

This Evening and Tonight:
A mainly dry evening and night, any isolated showers soon dying out with some late sunshine then long clear spells overnight. Chance of a few mist and fog patches developing through the early hours. Minimum temperature 3 deg C (37 deg F).

Tuesday:
Plenty of dry and bright weather around, the best of the sunshine around the coast. However, the odd shower is possible, these mostly likely through Lanarkshire in the afternoon. Maximum temperature 15 deg C (59 deg F).

Outlook for Wednesday to Friday:
Rather cloudy with a few showers on Wednesday, although brighter later. Outbreaks of rain and strengthening winds on Thursday, the rain heavy at times. Further rain or showers on Friday.
